JULY-AUGUST 2006

Let's meet on
July 16
at Alpine Village

It's Austrian Day at Alpine Village in Torrance, a time for good food, traditional music, and most important, the company of our kindred souls. Each year we have a strong contingent of LA Turners as well as our friends from our sister organizations gather at the music tent for a sunny afternoon of rekindling old memories and making new ones.

The opening is at 1:00 PM and the Turners are part of the festivities. All members who wear their Turners shirts and participate in the opening are invited for a beer or a soft drink "on the house" (the Turner house). If you have been initiated in recent months, during the move or remodeling, the discus-thrower waives the emblem shirt, but if you have a red top and white pants/skirt, please wear it.

On Board on the board

This month we welcome Janet Buccowich and Hugo Bakos (photo with President Denis Fredricks) on the board of the Los Angeles Turners to fill the vacancies occasioned by Andrea Felke moving back to Germany and Alex Hast assuming the position of General Manager of the Turner Center. We welcome both Hugo for a regular term and Janet who will serve as acting interim director.

*Our condolences
to Resi Lengsfeld
on the loss of her
husband George.
We wish you
strength and peace.*

Ade Andrea

Our Andrea Felke is back in Germany for the next phase of her legal career. We miss her infectious smile and willingness to help with every good Turner cause. And we will miss her accurate Board minutes. Viel Glück in der alten Heimat!

Jazz Concert for our 135th

Mark your calendars for August 30, 2006. This year, we will celebrate our founding with a joint function in cooperation with the Goethe Institut, a special concert by the "North Atlantic Jazz Alliance". This will be a beautiful event. More information about the venue, tickets...

House News

The House remodeling is on its way. The plans that have been discussed and improved during recent months are almost ready and after the proposed changes will be OK'd by the city of Westchester, the remodeling can begin - hopefully as soon as August. After remodeling, the Turner House will be available for certain Turner functions, singing and fencing until the zoning change is finalized.
