Discus Spins

April 21, our Turner Singers will be performing at Alpine Village in conjunction with the Frohsinn Damenchor. Let's support our Singers and the music of so many memories.

May 6 will see the annual Maifest, organized by the German American League (DAV) at the Phoenix Club in Anaheim. Mark your calendars for a great afternoon of convivialty. We join in the opening ceremonies at 12:45 in our scarlet insignia shirts. We look forward to seeing all of you there.

Reunited: the Turners and their possessions. After a long odyssey apart, the furniture, office equipment, kitchen materials, artifacts and books of the Society are out of storage and safely under the roof at the Westchester Turner Center.

Bon Voyage to Irma and Alex Hast who will travel to Peru in April to renew their wedding vows.

Carole Brennan joins the Board in 2007

Already a Turner in Illinois, Carole joined the Los Angeles Society in 2005, bringing with her a treasure trove of experience and excellent ideas in non-profit organization management. More of this will be in the next issue of the Newsletter when we detail her plan for supermarket rebates to our organization.

Our Turners have already been the recipients of her generous gifts of tickets to performances of Musical Theater West, the cultural Institution with whom she also shares her talents.

Welcome!

Hertha Grotheer will celebrate her 96th birthday on April 30th. Her family will get together at a local restaurant or bring a meal to her apartment and celebrate with her. She is doing well living in her own place and enjoys her life near family in CO. She spends time with friends where she lives, participates in many activities planned by the Recreational Director and rides the Mini-bus to shop for groceries and other needs. Her family includes her in their events especially Birthday parties for her three grandchildren and five great-grandchildren.

Taking measures...

Architect Andreas Gritschke from GO: Architecture is currently finalizing the plans for the new Turner Center. With ideas and the input from the Turners Board - particularly Gisela Heumann and Corneliu Radulea as well as Carl Schaefer and House manager Alexander Hast - he will guide the project through the the next steps. See the new floor-plan below.
