Short bytes from the discus thrower

The Los Angeles Turners presented Lilly Layton with a brand new SUV. Now she is driving offroad competitions in Oxnard. Just kidding. But this is one of the beautiful current rumors in the German Club scene. The truth is that it is even hard to convince her to drive the Turners Minivan, which brings the Singers to their destination when they sing for other clubs. But what would we do without the rumors? Our board meetings would be half as funny. We are already working on a new one...

In L.A. ließen Hast & Co es krachen

Immer wieder auf der Welt findet man das Panorama von Cochem – auch in Los Angeles. So trafen sich Alex Hast, ein ehemaliger Mitarbeiter der RZ aus Ullmen/Zell und Inge Crongeyer, geborene Bailes, eine ehemalige Cochemerin, vor einem Wandgemälde mit der Ansicht von Cochem im Los Angeles Soccer Club in North Hollywood, California. Anlass war ein Oktoberfest, auf dem Alex Hast mit seiner Band „Bluebirds“ spielte.
